## Resident care and communication

| Don<br>e                 | Task                                                                       | Initials / date |
|--------------------------|----------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Review resident changes, appointments, new orders, and follow-up needs.    |                 |
| <input type="checkbox"/> | Confirm scheduled family or responsible-party updates have been completed. |                 |
| <input type="checkbox"/> | Review incidents, unusual events, and required follow-up documentation.    |                 |
| <input type="checkbox"/> | Check upcoming admissions, assessments, discharges, and room readiness.    |                 |

## Staffing and training

| Don<br>e                 | Task                                                                        | Initials / date |
|--------------------------|-----------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Confirm every shift is covered and identify overtime or relief-staff needs. |                 |
| <input type="checkbox"/> | Review call-outs, late arrivals, open shifts, and recurring schedule gaps.  |                 |
| <input type="checkbox"/> | Confirm new-hire onboarding, required clearances, and training records.     |                 |
| <input type="checkbox"/> | Schedule coaching or refresher training for issues identified this week.    |                 |

## Home operations

| Don<br>e                 | Task                                                                                     | Initials / date |
|--------------------------|------------------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Review medication, care, food, cleaning, PPE, and emergency supply levels.               |                 |
| <input type="checkbox"/> | Walk interior and exterior areas for lighting, exits, alarms, trip hazards, and repairs. |                 |
| <input type="checkbox"/> | Check menus, shopping plans, housekeeping assignments, and transportation needs.         |                 |
| <input type="checkbox"/> | Record maintenance items, responsible person, target date, and completion.               |                 |

## Business and occupancy

| Don<br>e                 | Task                                                                             | Initials / date |
|--------------------------|----------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Review new inquiries, tours, follow-up dates, and referral-source activity.      |                 |
| <input type="checkbox"/> | Update occupied beds, available beds, expected move-ins, and expected move-outs. |                 |
| <input type="checkbox"/> | Review unpaid balances, upcoming bills, payroll, and available cash.             |                 |
| <input type="checkbox"/> | Choose the three highest-priority actions for next week.                         |                 |

# Monthly File and Compliance Self-Audit

Review a sample of records each month instead of waiting for an inspection. Protect confidential information and verify current California requirements for your facility.

## Resident records

| Don<br>e                 | Task                                                                                      | Initials / date |
|--------------------------|-------------------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Required assessments, admission documents, and responsible-party information are present. |                 |
| <input type="checkbox"/> | Physician information, medication records, and care-related instructions are current.     |                 |
| <input type="checkbox"/> | Changes in condition, incidents, notifications, and follow-up are documented.             |                 |
| <input type="checkbox"/> | Agreements, fee notices, and service records are complete and filed consistently.         |                 |

## Personnel records

| Don<br>e                 | Task                                                                                   | Initials / date |
|--------------------------|----------------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Required clearances, qualifications, health records, and identification are present.   |                 |
| <input type="checkbox"/> | Orientation, training, continuing education, and competency documentation are current. |                 |
| <input type="checkbox"/> | Schedules and time records support required coverage and actual hours worked.          |                 |
| <input type="checkbox"/> | Expired or soon-to-expire items have an owner and due date.                            |                 |

## Facility and operating records

| Don<br>e                 | Task                                                                                           | Initials / date |
|--------------------------|------------------------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | Emergency plans, drills, postings, contact lists, and required notices are current.            |                 |
| <input type="checkbox"/> | Food, temperature, safety, maintenance, and other required logs are complete.                  |                 |
| <input type="checkbox"/> | Admission, discharge, incident, complaint, and medication processes follow written procedures. |                 |
| <input type="checkbox"/> | Corrections from prior reviews or inspections are documented and closed.                       |                 |

## Corrective actions

| Issue found | Owner | Due date | Completed |
|-------------|-------|----------|-----------|
|             |       |          |           |
|             |       |          |           |
|             |       |          |           |

# Inquiry and Tour Follow-Up Tracker

Record what the prospective resident needs, whether the home appears to be an appropriate fit, and the next agreed action. Do not record unnecessary medical details on this marketing worksheet.

|--------------------|--|-------------------|----------------------------------------------------------|
| Inquiry date       |  | Referral source   |                                                          |
| Contact name       |  | Preferred contact |                                                          |
| Resident initials  |  | Target move date  |                                                          |
| Preferred location |  | Budget range      |                                                          |
| Tour date          |  | Tour completed    | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| Current status     |  | Outcome           |                                                          |

## Questions to cover

| Done                     | Task                                                                                                  | Initials / date |
|--------------------------|-------------------------------------------------------------------------------------------------------|-----------------|
| <input type="checkbox"/> | What daily support and supervision does the resident need?                                            |                 |
| <input type="checkbox"/> | Are there mobility, communication, behavioral, dietary, or scheduling needs to review?                |                 |
| <input type="checkbox"/> | Does the home have the staffing, environment, approved services, and resident mix for this placement? |                 |
| <input type="checkbox"/> | Were rates, included services, additional charges, and next steps explained clearly?                  |                 |
| <input type="checkbox"/> | What information is still needed before an admission decision can be made?                            |                 |

## Follow-up record

| Date | Contact method | Summary and next step | Owner | Due |
|------|----------------|-----------------------|-------|-----|
|      |                |                       |       |     |
|      |                |                       |       |     |
|      |                |                       |       |     |
|      |                |                       |       |     |
|      |                |                       |       |     |
|      |                |                       |       |     |
|      |                |                       |       |     |

# 30-Day RCFE Improvement Planner

Choose a small number of measurable improvements. Assign each action, set a due date, and review progress weekly.

Facility: \_\_\_\_\_

Start date: \_\_\_\_\_

Plan owner: \_\_\_\_\_

## Priority areas

| Don e                    | Task                                         | Initials / date |
|--------------------------|----------------------------------------------|-----------------|
| <input type="checkbox"/> | Resident experience and family communication |                 |
| <input type="checkbox"/> | Staffing, onboarding, or training            |                 |
| <input type="checkbox"/> | Records and inspection readiness             |                 |
| <input type="checkbox"/> | Property safety and maintenance              |                 |
| <input type="checkbox"/> | Marketing, inquiries, tours, or occupancy    |                 |
| <input type="checkbox"/> | Budget, cash flow, billing, or purchasing    |                 |

| Goal | Action | Owner | Due | Measure |
|------|--------|-------|-----|---------|
|      |        |       |     |         |
|      |        |       |     |         |
|      |        |       |     |         |
|      |        |       |     |         |
|      |        |       |     |         |
|      |        |       |     |         |

## Weekly review

| Review date | Completed | What changed | Next action |
|-------------|-----------|--------------|-------------|
|             |           |              |             |
|             |           |              |             |
|             |           |              |             |

# Owner Notes and Follow-Up

Use this page for decisions, questions for advisors, agency follow-up, and items that should be added to the facility's operating calendar.

## Questions for licensing, legal, accounting, insurance, or employment professionals

## Agency or vendor follow-up

| Contact | Question or request | Date sent | Response / next step |
|---------|---------------------|-----------|----------------------|
|         |                     |           |                      |
|         |                     |           |                      |
|         |                     |           |                      |
|         |                     |           |                      |
|         |                     |           |                      |
|         |                     |           |                      |

**Important**

These worksheets provide general educational and organizational guidance. They are not legal, medical, accounting, employment, insurance, tax, or licensing advice. California requirements change, and facilities may have different license conditions. Verify current requirements with the California Department of Social Services, applicable local agencies, and qualified professionals.
